

PMI CERTIFICATION PROGRAM

14 au 25 octobre 2019

PREPARE FOR THE PMP CERTIFICATION AT ASCENCIA WASHINGTON

The PMP certification is the global gold standard for project management professionals. Keep abreast of the changes in the project management practices updated in PMBOK guide and pass the PMP® exam on your first attempt. The course covers new trends, emerging practices, tailoring considerations, and places a greater emphasis on strategic and business knowledge.

The PMP® certification greatly expands your skills value and potential job opportunities. Recognized globally, a PMP® can help you land lucrative roles in IT, manufacturing, finance, healthcare, and other exciting industries. Certified PMP®'s also report better project performance and steep pay raises.

PMP CERTIFICATION

The Project Management Professional (PMP)® is the most important industry-recognized certification for project managers. You can find PMPs leading projects in nearly every country and, unlike other certifications that focus on a particular geography or domain, the PMP® is truly global. As a PMP, you can work in virtually any industry, with any methodology and in any location.

The PMP can also provide a significant advantage when it comes to salary and earning potential. Among survey respondents to PMI's Earning Power Salary Survey, those with a PMP certification garner a higher salary (20% higher on average) than those without a PMP certification.

Employers benefit as well. When more than one-third of their project managers are PMP-certified, organizations complete more of their projects on time, on budget and meeting original goals. (Pulse of the Profession® study, PMI, 2015.) The PMP signifies that you speak and understand the global language of project management and connects you to a community of professionals, organizations and experts worldwide. Become a PMP and become a project hero.

PMP® Certified

OUR CAMPUS

Ascencia Washington is located in the Reston Business District, within walking distance of some world's largest corporations.

It is fully equipped and certified to conduct online test and exams, and features small-size classrooms for a true one on one learning experience.

A gym, recreation area, kitchen, library and several work and meeting rooms are available. Our offices are within the Nextec Inc headquarters, one the largest testing center network in the world.

Washington International School of Business, Nextec Inc, 205 Van Buren St. Herndon, VA 20171

EASY MOBILITY OPTIONS

With easy access to the Silver Line Metro, Washington is only 35 minutes from the campus.

Buses, bicycles and car rental facilities are all easily available.

New York City is only a 3 hours train ride away.
